

Nomination Form – Life for MPS and MPS Scientific Awards

The 16th International Symposium on MPS and Related Diseases will take place July 23 – July 25, 2021 in Barcelona, Spain. During the symposium's gala dinner, ***Life for MPS and MPS Scientific*** awards will be presented to recipients who have demonstrated a commitment to those with MPS and related diseases around the world.

The symposium's Family Program Committee is seeking nominations from International MPS Network members for potential recipients of the ***Life for MPS*** award to be given to a *lay person* (ie: a non-scientist). The symposium's Family Program Committee will consider all nominations submitted by **April 30, 2021** and make the final decision on awards recipients. The winners will be announced at the virtual gala.

Please consider the following when making your nomination(s):

- Has he/she made a significant contribution that has impacted the lives of those affected with MPS internationally?
 - The contribution made can fall into the following areas:
 - Advocacy
 - Research
 - Awareness
 - Education
 - Support

I would like to nominate: _____
for the Life for MPS award (lay person) because of the following contribution(s):

The symposium's Family Program Committee is also seeking *suggestions* from International MPS Network members for potential recipients of the ***Life for MPS Scientific*** award to be given to a *scientist or clinician*. The symposium's Scientific Committee will make the final decision on this award's recipient, but we would like to provide a list of suggestions from International MPS Network members. Please submit your suggestions by **April 30, 2021**.

I would like to suggest: _____
as a potential recipient of the Life for MPS Scientific award (researcher or clinician)

Signed: _____ Organization: _____

Email your completed nomination forms to Terri Klein, Co-Chair of the International MPS Network at terri@mpssociety.org by April 30, 2021 in order to have your nominations/suggestions considered for the Life for MPS awards.

Thank you for your thoughtful consideration, and please don't hesitate to contact me if you have any questions or concerns.

Best regards,

Terri L. Klein, *NPGC*
National MPS Society
On behalf of the 16th International Symposium on MPS and Related Diseases' Family Program Committee
